Micro Grant Funding to Palmetto Health Foundation
*Grant to Benefit Palmetto Health Children's Hospital***

The Carolinas Credit Union Foundation (CCUF) is pleased to announce the award of \$18,000 in Micro Community Grant funding to Palmetto Health Children's Hospital in Columbia. The funds will be used to purchase mobile game systems for your patients who are unable to leave their rooms, as well as bi-lingual and other games for all the hospital's young patients. The hospital will use the funds to purchase three new Touch2Play mobile gaming systems. These systems allow the staff to take games to the young patients who are unable to leave their rooms due to being immobile, or who are coping with immune system disorders.

"This is a great opportunity for the Foundation and credit unions in to step up and make life a little easier for some of the hospital's very special young people," noted CCUF President/CEO John Slack.
