

PALMETTO HEALTH BAPTIST EASLEY HONORED AS

Best of the Best

P R E M I E R
Award for Quality

In healthcare, what does it take to be the best? Unwavering dedication to measuring and improving the quality of care. That's why we're honored to be recognized as one of the nation's top hospitals with the 2006 Award for Quality presented by Premier, Inc., an alliance of not-for-profit hospitals and healthcare systems.

Premier measures the quality and cost of care at hundreds of hospitals and identifies the best of the best. That means Palmetto Health Baptist Easley is a top performer, specifically in the area of hip and knee replacement procedures.

When it comes to quality, Palmetto Health Baptist Easley is providing care you can believe in. To learn more about us and the award winning care we provide every day, call (864) 442-7200 or visit us online at palmettohealth.org/BaptistEasley.

Care you can believe in.
