**IRB: Human Subject Research**

**September 25th**

Richland Hospital (1st Floor)
Classroom 1B, 12 - 12:45 pm

Attendees will gain basic knowledge of Human Subject Research. An overview of informed consent, vulnerable populations, HIPAA authorization, and protocol development will be discussed, along with exempted and expedited research criteria.

Thomasena Williams, MPH – IRB Manager

**IRB: Reportable Events**

**October 23rd**

Richland Hospital (1st Floor)
Classroom 1B, 12 - 12:45 pm

Attendees will better understand reportable events, when to report, and what the IRB does with them. Presentation will also include instruction on how to submit reportable events through the eIRB.

Samantha Scott, MPH – Research Educator
