

## Ellen and Stan Adkins, Co-Chairs, Champions Society

*It is a privilege for us to serve as the co-chairs of the Champions Society. We have been supporting Prisma Health Children's Hospital—Midlands since we arrived in Columbia, 20 years ago. At that time, the Children's Hospital was the only place in the Midlands that offered comprehensive health care for children and their families. Today, the Children's Hospital has grown into a free-standing Children's Hospital and Level 2 Pediatric Trauma Center. Soon, it will be home to our state's first and only children's inpatient rehabilitation center. The medical and surgical children's specialties have grown in depth and breadth and specialty programs have been implemented to meet the unique needs of children. It is a remarkable accomplishment and could not have been realized without the support of donors and volunteers from our community!*

*Our goal is to help Champions Society continue to grow for the Children's Hospital. We invite you to become a Champions Society member.*
